TITLE 10-1-15 SUBMISSION OF COMPLIANCE PLAN:

(a) Contractors:

(2) Contracting and Subcontracting Plan: A required contracting and subcontracting plan shall indicate all contracts and subcontracts that will be entered into and the projected dollar amounts thereof. If the entity has already selected a contractor or subcontractor to perform any contract or subcontract work, it shall list the name of that contractor or subcontractor and indicate whether or not it is a contractor or subcontractor certified as Indian preference eligible by the TERO. If the contractor or subcontractor is not certified as Indian preference eligible, the entity shall further indicate why each certified contractor or subcontractor, if any, registered with the TERO, that was technically qualified to perform the work was not selected. The plan shall also indicate how the entity intends to comply with the contracting and subcontracting provisions of this Chapter when awarding all contracts and subcontracts not yet awarded at the time the plan is submitted. (Amended 3/6/14, Resolution 2014-114)(Certified 3/18/14)

TITLE 10-3-7 INDIAN PREFERENCE IN THE AWARD OF CONTRACTS AND SUBCONTRACTS:

This section should be reviewed in its entirety as it is very comprehensive in the legal definition outlining the requirements as obligated by the entity in the award process for any and all subcontracting to be performed on this project.

TITLE 10-1-28 RESPONSIBILITY FOR EVALUATING TECHNICAL QUALIFICATIONS AND REASONABLE PRICE:

(a) **Technical Qualifications:** The entity and its contractors and subcontractors shall have the discretion to determine technical qualifications. TERO shall be provided notice of any pre- construction meetings to assist in compliance. However, if the entity determines that there are no certified firms that are technically qualified, the Director may require the entity to provide to each certified firm it rejects a description, in writing, of areas in which it believes the firm is weak and steps it could take to upgrade its qualifications. If a certified firm that was disqualified on the grounds of technical qualifications believes that the disqualification was the result of an improper effort by an entity, contractor, or subcontractor, to circumvent its preference responsibilities under this Chapter, it may file a complaint with the TERO under the provisions of section 10-1-31. (Amended 3/6/14, Resolution 2014-114)(Certified 3/18/14)

(b) **Reasonable Price:** An entity may use any process it so chooses for determining what constitutes a reasonable price including, but not limited to, competitive bidding (open or closed), or the establishment of a prototype cost ceiling before bidding commences. No entity may reject a certified firm and then contract with a non-certified firm at the same or higher price. Any contract modification in price that is justified is not a circumvention of this section. Any entity found to have violated this requirement by such circumvention shall be liable for treble damages for any losses suffered by a certified firm as a result of the entity's actions.

~ EACH CONTRACTOR SHALL REVIEW THE TITLE 10 CERTIFIED LIST IN AN EFFORT TO EFFECTIVELY ADMINISTER TO INDIAN PREFERENCE IN CONTRACTING AND SUBCONTRACTING ~

All subcontractors, are subject, and shall administer to the same Compliance & Utilization requirements as well as the Indian preference in hiring obligations as they are so recognized by the prime contractor on this Compliance & Utilization.
