Omak	36	Keller	2
Nespelem	6	Inchelium	6

Current quarantine list/awaiting tests 8

Numbers current as of Aug. 10 at 5:30 p.m.

Okanogan County Public Health: Community based COVID-19 testing, upcoming

OKANOGAN – Okanogan County Public Health will be offering FREE COVID-19 testing throughout Okanogan County starting Aug. 13 through the month for all residents of the county.

County public health requested assistance from the state, asking for medical units from the Washington National Guard to support this effort, including the 10th Civil Support Mobile Lab Team.

Because Washington National Guard has effectively supported food banks, employment security departments, contact tracing projects, test kit assembly projects, and operations of community-based test sites since the beginning of COVID-19, we requested their support in expanding testing availability across Okanogan County.

Public Health is honored and grateful to have the assistance from the Washington National Guard. Having the assistance of the Washington National Guard will reduce the burden on local hospitals and health systems.

There will be one testing location each day (6 days a week) on a rotating schedule. **Specific locations, days, and times of testing will be released as soon as it is finalized.** Testing sites will include the following areas:

- North County – Oroville/Tonasket
- Methow Valley – Winthrop/Twisp
- South County – Brewster
- Central County – Omak
- Colville Reservation – Nespelem
- Southeast County – Coulee Dam

This community based COVID-19 testing opportunity is:

- FOR ANYONE
- FREE
- VOLUNTARY
- CONFIDENTIAL

For emergencies, call 9-1-1.
