Schools release information on Pandemic EBT food assistance program

Because COVID-19 closed our schools, your children may be eligible for food assistance, called Pandemic EBT (P-EBT): Emergency School Meals Program.

P-EBT provides families with funds to make up for the cost of meals while school was closed. This benefit is for Washington children in grades k-12 who receive free or reduced-price school meals. These benefits will be on an Electronic Benefits Transfer (EBT) card which is used like a debit card to buy groceries.

If your family has lost income since schools closed, you may be eligible for free or reduced-price school meals. You can find out if you are eligible and how to apply by calling 877-501-2233 or go online to www.WashingtonConnection.org.

Every eligible child may receive up to a maximum of \$399 of P-EBT. Immigration status does not matter for P-EBT - it is not Basic Food and will not count in a public charge test. P-EBT is intended to replace meals missed while schools closed due to COVID-19. Children are allowed to get free meals from school and community sites and get P-EBT at the same time - they are separate programs.

If your family does not receive Basic Food, you must apply for P-EBT if you want to receive the funds. The application will be open by June 30.

There are two ways to apply:

- Go to: www.WashingtonConnection.org, or
- Call DSHS at 877-501-2233

For emergencies, call 9-1-1.
