Submit full details of all termination for default experienced by the Contractor during the past five years; including the other party's name, address, and telephone number. Present the Contractor's position on the incident. The Colville Tribes will evaluate the facts and may, at its sole discretion, reject the Contractor's proposal if the facts discovered indicate that completion of a Contract resulting from this RFP may be jeopardized by selection of the Contractor.

If the Contractor has had a contract terminated for convenience, non-performance, non-allocation of funds or any other reason, which termination occurred before completion of the contract, during the past five years, describe fully all such terminations, including the name, address and telephone number of the other contracting party.

A Contractor response that indicates the requested information will only be provided if and when the Contractor is selected, as the apparent successful Contractor is not acceptable. Restricting the Contractor's response to include only legal actions resulting from terminations for default is also not acceptable.

Section 4: PROPOSAL EVALUATION

4.1 Evaluation Procedures

The Selection Committee will evaluate proposals. The Selection will consider how well the Contractor's proposal meets the needs of the Colville Tribes as described in the Contractor's response to each requirement. In evaluating the proposals, the Colville Tribes will be using a criteria evaluation process. Evaluations will be based on criteria as outlined in Section 4.02. All proposals will be evaluated using the same criteria and weighting. Any proposal that does not contain each element described in this RFQ, fully completed, initialed or executed, as appropriate, may be judged to be incomplete and may not be considered further.

4.2 Scoring and Evaluation Factors

The evaluation factors reflect a wide range of considerations. While cost is important, other factors are also significant. Consequently, the Colville Tribes may base selection on other than the lowest cost solution. The objective is to choose the Contractor capable of providing a reliable and effective solution within a reasonable budget.

An award will be made to a responsible Indian Bidder if within 10% of the lowest non-Indian Proposal Price and defined experience.

Evaluation will be based on the following criteria:

Proposal Price/Cost	40
Qualifications & Experience	20
Responsiveness of the proposal	30
Indian Preference	10

If claiming Indian Preference and CCT TERO certified you must provide documented proof.

Compliance with TERO Indian Preference Requirements:

Notice is hereby given that the Confederated Tribes of the Colville Reservation has in force Title 10 Employment and Contracting; Chapter 10-1 Tribal Employment Rights Ordinance (TERO), and Chapter 10-3 Indian Preference in Contracting, covering but not limited to Indian employment, Training, contracting and subcontracting. Bidders are directed to contact the Colville Tribal TERO department to obtain complete information regarding compliance requirements and responsibilities under the law. It is also incumbent on the contractor and/or subcontractor to insure all compliance requirements are met prior to commencing work. It is also advisable for covered entities to be aware of the TERO requirements for certification as an Indian firm, sanctions for non-compliance and the appeal process.

The Colville Tribal TERO department can be reached by calling (509) 634-2735.

4.3 Final Selection

After the review of the price proposals the Selection Committee will formulate their recommendation for award to the Contractor with the lowest bid after Chapter 10-3 Indian Preference in Contracting has been applied. If applicable, the recommendation will be forwarded to the Tribal Council for formal acceptance.

4.4 Contract Award and Execution

The Colville Tribes reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be initially submitted on the most favorable terms the Contractor can offer. The foregoing should not be interpreted to prohibit either party from proposing additional Contract terms and conditions during negotiations of the final document.

The RFQ document and the successful Contractor's proposal response, as amended by agreement between the Colville Tribes and the Contractor, including e-mail or written correspondence relative to the RFQ, will become part of the Contract document. Additionally, the Colville Tribes may verify Contractor representation that appears in the proposal. Failure of the Contractor to perform as represented may result in elimination of the Contractor from competition or in Contract cancellation or termination.

The Contractor selected, as the apparent successful Contractor will be expected to enter into a Contract with the Colville Tribes. If the selected Contractor fails to sign the Contract within five (5) business days of delivery of the final Contract, the Colville Tribes may elect to cancel the award or award the Contract to the next highest ranked Contractor. The Colville Tribes shall not be bound or in any way obligated until both parties have executed a Contract. No party may incur any chargeable costs prior to the execution of a final Contract.

After opening and ranking, an award may be made on the basis of the proposals initially submitted, without discussion, clarification or modification, or, the Colville Confederated Tribes may discuss with the selected Respondent offers for cost reduction and other elements of the Respondent's proposal. If the Colville Confederated Tribes determines that it is unable to reach a contract satisfactory to the Colville Confederated Tribes with the selected Respondent, then the Colville Tribe will terminate discussions with the selected Respondent and proceed to the next Respondent in order of selection ranking until a contract is reached or The Colville Tribe has rejected all proposals. The Colville Confederated Tribes may not disclose any information derived from the proposals submitted from competing offers in conducting such discussions.

The Colville Confederated Tribes reserves the right to award a Contract for all or any portion of the requirements proposed by reason of this request, award multiple Contracts, or to reject any and

all

Proposals if deemed to be in the best interests of the Colville Confederated Tribes and to re-solicit for proposals, or to reject any and all proposals if deemed to be in the best interests of the Colville Confederated Tribes and to temporarily or permanently abandon the procurement.

If the Colville Confederated Tribes award a contract, it will award the contract to the offeror or offerors whose proposal is the most advantageous to the Colville Confederated Tribes and offers the best value, considering price and the evaluation factors set forth in the RFQ. The contract file must state in writing the basis upon which the award is made.
